Section C: Medical History and Examination

Physician: This student is considering a year abroad as an exchange student. Insufficient, inadequate, or improper information about medications or psychiatric, psychological, or other medical problems could endanger the student's life while overseas. Allergy information is especially crucial to host family placement and student well-being. An immediate relative of the applicant may **not** complete the examination or fill out this form.

Please type or print clearly. Please submit multiple copies of the form as directed, with original signatures in **blue** ink on each copy.
